#### **Application**

Priority placement is given to those individuals who send the application, \$200 processing fee, and \$200 security deposit to WISH. The same day these arrive in the WISH office, space is assigned and relayed to the individual. The security deposit holds the space until check-in, and is returned after check-out.

#### **Balance Due Prior to Check-In**

Total housing fees due for the semester are payable 30 days prior to the start of the semester. In special cases where the total is made in two payments, first and last month's rent is due 30 days prior to the start of the semester and the remainder is due within the next 30 days. There is an additional \$20 charge for the two payment option.

For each intern, this rent covers fully furnished living space, utilities, household goods (light bulbs, kitchen and dinner ware), laundry facilities, iron/ironing board, cable TV, and wireless internet access.

#### **Early Check-Outs**

Interns checking out before their scheduled departure date forfeit all unused housing fees.
